

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

as one who works in radio, i have seen co-workers lose jobs due to corporations like clear channel. without a union in the radio industry in texas, we continue to be the victims of media giants such as clear channel, i.e. job eliminations and consolidations, more work-less pay, and fewer jobs for professionals in this industry.
